The applicant received the Office Action mailed November 20, 2006. The Office Action included a cover page and fifteen pages. The Office Action rejected claims 3, 18, and 24 under 35 USC § 103(a) as being unpatentable in view of Karttunen (Published document 2003). However, the Office Action did not provide any identifying information, e.g., title, so as to identify Karttunen. The USPTO must provide a copy of a reference and typically provides a form PTO-892 listing the document cited in an Office Action. The applicant did not receive the copy of the Karttunen document and Karttunen was not listed on the form PTO-892 as required under 37 CFR 1.104(d) and MPEP 707.05.

As the applicant is unable to find the Karttunen document, applicant requests that a copy of the document be provided and the time period for a response by restarted.

The Examiner is invited to telephone Applicant's attorney at 612-373-6970 to facilitate prosecution of this application

Respectfully submitted,  
ASHIK KUMAR SHIVACHARYA NAGARAJ ET AL.
